

**IPM POTATO GROUP**  
QUALITY IN THE BREED | QUALITY IN THE SEED

An exciting  
opportunity to  
join our highly  
skilled team

IPM is an international leader in potato variety innovation and in the production, marketing and distribution of seed potatoes. We contract the production of seed potatoes with growers throughout Great Britain for supply to both domestic and export customers. We currently wish to fill the following position, to be based at our office in Letham, Angus, DD8 2PJ, UK.

### FIELDSPERSON

- As a Fieldsperson you will work as part of a small highly focussed team liaising closely with sales colleagues, growers and customers concerning all aspects of the production and distribution of seed.
- Additionally, the role also incorporates participation within our protected variety trials and technical support activities as well as the opportunity for UK and international travel.
- The successful candidate will be well organised, pro-active, with excellent communication skills and would suit a dynamic graduate, with a qualification in an agriculturally related subject or an enthusiastic new entrant eager for an opportunity to begin their career in agriculture.
- A full driver's license is essential.

**A competitive remuneration package, including vehicle, will be offered to the successful candidate.**

**Closing date: 22.04.25**
