An exciting opportunity to join a dynamic and experienced team in the agricultural sector.

We're looking for a motivated and detail-oriented Fieldsperson to support our trading operations at Maincrop potatoes Ltd. This is a hands-on role ideal for a recent graduate or someone with an agricultural background who is eager to develop their career in a fast-paced, field-based environment.

Key Responsibilities:

1. Sampling potato stores and producing quality control (QC) reports on crops
2. Liaising with growers regarding upcoming loadings and customer orders
3. Collating and maintaining accurate crop records
4. Supporting the wider team with crop production and distribution activities
5. Participating in technical trials and variety assessments
6. Occasionally working with other parts of our group, including suppliers and partners.

About You:

1. A degree in agriculture or a related subject, or equivalent practical experience
2. Excellent communication and organisational skills
3. A proactive, hands-on approach with strong attention to detail
4. Comfortable working independently and as part of a small, focused team
5. A full UK driving licence is essential
